

Tech Safety Planning Tools in Inuktitut

A Note on Language

In this toolkit, we will sometimes use the word woman/women and feminine pronouns for simplicity and to recognize the significant impact technology-facilitated violence has on women and girls. We recognize that TFGBV also impacts trans, non-binary, and Two-Spirit people. We hope that all people impacted by TFGBV will find these documents useful.

This document is part of a series of resources provided through Women's Shelters Canada's Tech Safety Canada project. We encourage you to visit www.techsafety.ca to find additional information and resources about technology-facilitated violence, technology safety planning, and preserving digital evidence. This document, or any portion thereof, may be reproduced or used as long as acknowledgement is included.
